

## **LEGISLATIVE DAY IN ANNAPOLIS**

Come spend the afternoon with your colleagues and find out about what the 2012 legislature has in store for the mortgage industry. State legislators will be on hand to give us some firsthand news on some of the topics that will be pressing for our industry in this legislative session. Our Lobbyist, Dennis Rasmussen, will provide input on efforts to insure a successful session for our industry. We will combine this with a tour of the campus followed by a Happy Hour sponsored by Appraisal Logistic Solutions.
